Kevin Sullivan
Arch Davila
Ron Smith
Dick Weatherly

PRESS RELEASE **Green Center Hours of Operation** **6 November 2018**

The City of Lago Vista is changing our hours of operation for the Green Center. The Green Center is located at 21155 FM-1431 and is the City's brush collection/mulching station. In an effort to increase the overall availability of the Green Center and to provide more efficient and effective operations, the new hours will be:

1st Thursday of every month - 7:00 a.m. – 4:00 p.m.
1st Saturday of every month - 10:00 a.m. – 4:00 p.m.

Recently the City attempted to open the Green Center on Sunday instead of Saturday but have decided to return to the Saturday operations beginning in December. Please be aware that the City will not have available staff at the Green Center to help offload debris.

The City is also working to locate a new facility that will house our Green Center, a new recycling facility, and potentially a hazardous waste collection facility. Until then, please contact City Hall if you have any questions concerning any of these operations.

The City of Lago Vista is a home rule municipality located in the Hill Country of Travis County, Texas. The City was incorporated in 1984 and operates under the council-manager form of government with a Mayor and six Council members. The current population of Lago Vista is estimated at 6,627.

For more information on this or any other City related issues, please visit our website at www.lagovistatexas.org or contact City Manager Josh Ray at 512.267.1155 or jray@lago-vista.org.
