

\$1.00 Trash Increase for Recycling Center

Costs for trash service will increase \$1.00 per month effective November 1, 2011 to fund an enhanced brush collection, chipping and city clean-up program. More details regarding the program will be made available at a later date.

Firewise

The threat of fire is still a great concern for our area residents and we have been working with many other local organizations in an effort to get information out to all of our citizens. Below please find information and tips specific to Lago Vista.

- Emergency Management Plan tested and refined. City on alert status.
- No specified evacuation route until fire location and direction known.
- See Firewise.com for personal action plan.
- Burn days being replaced with City chipping on a regular basis.
- Take brush to Austin Wood Recycling, 3875 Whitestone, or place up to (4) 4 foot bundles at the curb on your garbage pick-up day.
- Register cell phones with CAPCOG. Reverse 911.
- Report brush/dump sites.
- Fire hydrant maintenance and data sharing program ongoing.
- Potential for additional vegetation removal regulation.

We encourage you to visit our website at www.lagovistatexas.org for additional emergency information as well as valuable links to other organizations.
